How This List Is Made
Using an online survey, *Austin Home* solicited peer and public nominations, asking voters to nominate up to three builders they've worked with or know to produce outstanding work. *Austin Home* then tallied the results, selecting the top percentage of vote recipients before submitting the final list to our fact-checking process. Companies do not and cannot pay to be a part of the list. We recognize that many good builders are not included on the list; this is only a sampling of a huge array of talented professionals within the region. We encourage all consumers to do their own research before selecting a builder.

Austin Home uses best practices and exercises great care in assembling content for this list. It does not warrant that the data contained within the list are complete or accurate. *Austin Home* does not assume, and hereby disclaims, any liability to any person for any loss or damage caused by errors or omissions herein whether such errors or omissions result from negligence, accident, or any other cause.
